2024-25 Membership Dues

The Bylaws state: *The fiscal year of the Society shall commence on October 1st of each year and end on September 30th of each year.* Membership dues coincide with the fiscal year. We are currently in the 2024-25 Membership Year.

Membership dues collected during the '25 Bix Jazz Fest will be applied to the 2025-2026 year, unless dues for the current year haven't yet been paid, these will be deducted first. When the society receives contributions, \$25 is first applied to membership and the remaining funds are applied to the projects of the society. Your generosity is vital to our existence.

Endowment Fund

The Bix Beiderbecke Jazz Society would like to promote the Steve Trainor endowment fund. Mike and Donna Wolsted generously started this fund prior to Steve's passing in 2023. This fund is intended to maintain the continuity and musical quality of the Bix Jazz Festival. Those who share Steve Trainor's passion for the Jazz Festival are welcome to donate by visiting qccf.fcsuite.com/erp/donate/list and searching for the Steve Trainor Fund for the Bix Beiderbecke Memorial Society.
